

RECAP 4th-5th JULY 2026

Bharat eMobility Recruitment 2026

2,000+ Onsite + Virtual	300+ PRE-SCREENED ATTENDEES	22 CORPORATE PARTNERS
120+ PROFILES FAST-TRACKED	50+ OFFERS EXTENDED	30+ ALREADY ON-BOARDED

• Event Recap

Two days. One floor. India's EV hiring pipeline, live.

DIYguru's **Bharat eMobility Recruitment** drew **2,000+** registrations across onsite and virtual channels, with **300+** pre-screened candidates and **22 leading EV and automotive employers** converging over **2 days** — one of the largest dedicated EV and automotive hiring drives in India.

Candidates spanning ITI, diploma, engineering, and experienced professional levels met hiring teams face-to-face, with parallel virtual rounds extending the reach further. A panel discussion on industry-academia alignment added the strength.

“An organized floor with candidates who came prepared, exactly the kind of hiring event I want to be part of again.”

-Ather Energy

“

“Same-day interviews, honest feedback, and I knew exactly where I stood by evening that's what made this different.”

-Pradeep

“

“DIYguru understands pain points of recruiters that made recruitathon more productive”

-TIES Group

“

“I walked in for an interview and walked out with a role in EV manufacturing in one day.”

-Farhan

“

Host University

By bringing academia and industry together on one platform, we are creating meaningful opportunities where talent meets innovation and learning translates into real-world impact. Our students have the potential to lead that transformation with purpose, creativity, and technology.

–Dr. Ajeenkya DY Patil

Chancellor | President , ADYPU

”

"Recruitment in the News"

The impact of the Recruitment extended well beyond the event venue, receiving extensive media coverage from prominent national platforms including **ANI News, Business Standard, The Tribune, and News18.**

This widespread recognition further amplified the initiative's larger vision of strengthening India's e-mobility talent ecosystem.

• Strategic Partnerships

Long-term collaborations formalized at the Recruitment

A formal MoU signed with **BGAUSS** at the Recruitment, extending our EV hiring collaboration into a structured and ongoing partnership.

A formal MoU signed with **SGT EV** at the Recruitment, marking a new strategic partnership for future EV talent pipelines.
